

**FOOTAGE
IS NO LONGER
A DIRTY WORD**

FRAMEPOOL.COM
The Footage Collection Run By Filmmakers

WHY FRAMEPOOL FOOTAGE?

5 REASONS THAT WILL MAKE YOU SMILE.

- 1** First of all: Enhancing your production value was never easier. The usage of Framepool Footage saves time and money. Give it a try – you won't be disappointed.
- 2** Discover our rapidly growing amazing collections produced by some of the world's leading cinematographers, mainly on film or HD: AERIALS, ANIMALS & WILDLIFE, NEWS, WORLD LOCATIONS, SCIENCE or HISTORY to name a few.
- 3** All collections are online in full resolution. Our extensive keywording supports you to find your perfect shot fast and in a second everything is ready for download. Framepool.com, designed to get premium footage fast. All clips at your fingertips: FIND, DOWNLOAD, EDIT!
- 4** The Client comes first. We are happy to help with research and technical support. If you need rights clearance and third party agreements or if you are looking for special topics, events or themes – we are here to serve.
- 5** Last but not least, we'll match our competitors price for rights managed footage of the same specs and content. Or join our Framepool premium customer program to benefit from preferential rates and services. Please get in contact with your local sales manager to discuss the details.
